

Zodiac Dataset

Parth Mehrotra

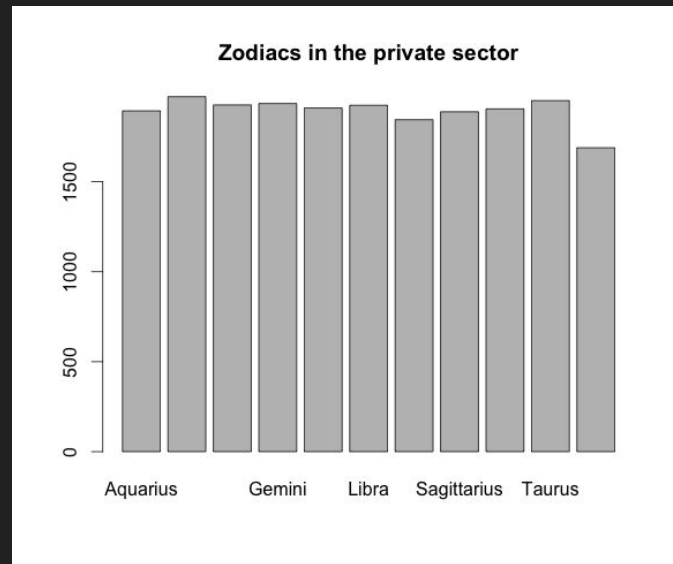

Zodiacs in higher education

It seems that when normalized, zodiac sign has no bearing on presence in higher education.

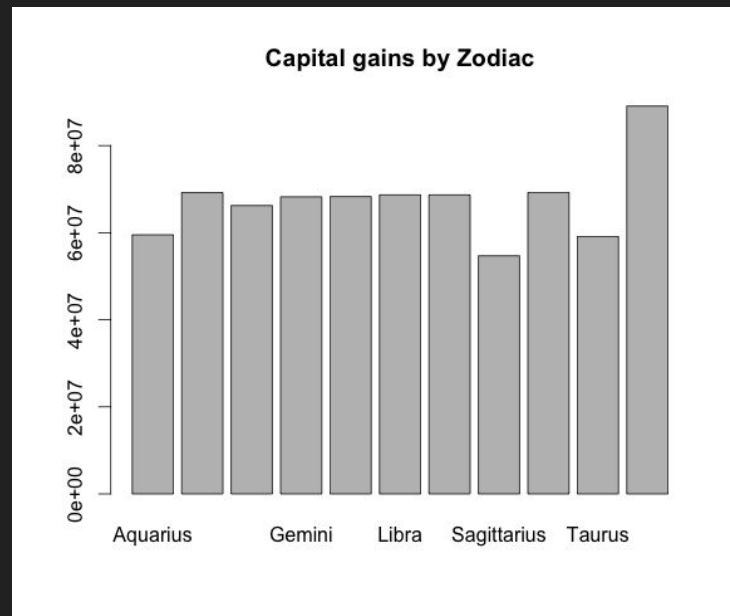

Zodiacs in the private sector

Neither does zodiac symbol tell us anything about presence in the private sector.

Zodiacs in capital gains

It seems that most zodiac symbols also have very similar capital gains.

Zodiacs in capital loss

However, when it came to capital loss, Vergo's by far lost the most money.
